"At the Cross"

Benediction

It Is Finished, by pastors David Dorn and Jason Nelson from The Woodlands United Methodist Church, is a six-lesson study built around the final words of Jesus from the cross. Jesus' last words are powerful teaching moments that if unpacked, can radically shape our lives as we learn what it means to be human and the limitless love of God. Each lesson dives into the historical and practical significance surrounding each of Jesus' phrases while the study guide gives the viewer different spiritual practices to participate in throughout Lent.

Come and live this adventure in studying God's word together at Kitchener Community Church. This study will provide the basis of our discipleship program during the Lenten period leading up to Easter. The Sunday Worship Services will be focused on the material covered during the study. This will be an amazing opportunity as a church – in unity – to study and grow closer together as the celebration of Easter draws closer each week.

Today will also be a time to celebrate with those who have just recently completed the course. Invite someone to come with you to explore the questions of life.
