It Is Finished

a six-lesson study built around the final words of Jesus from the cross. Jesus' last words are powerful teaching moments. Each lesson dives into the historical and practical significance surrounding each of Jesus' phrases while the study guide gives us different spiritual practices to participate in throughout Lent. Be a part of this adventure in studying God's word together at Kitchener Community Church. This study is providing the basis of our discipleship program during the Lenten period leading up to Easter. The Sunday Worship Service is focused on the material covered during the study.
