Sunday School Teachers

We are really needing our Sunday School to be a parent supported program with each of us taking turns to sign up to teach. For those who need screening, please contact Gail in the church office who can set that up for you. There are sign-up sheet s available in the foyer. We will have the in-church volunteers sign-up for single weeks so as not to impact your worship time too much, and the teen classes we will keep as a group of Sundays to help develop themes within our teaching and rapport with our teens. We have curriculum for the in-church classes and can support with curriculum for the teens, but please let us know if there is a topic you would really like to cover.
