### **Community Event at KCC: Tomorrow, Monday, March 25 at 1:30pm**

*Sponsored by Autumn Fellowship*

It's a Kitchener that's long gone, a Kitchener of quiet streets where the milkman delivers bottles of creamy milk each morning and people dress up to go shopping at bustling shops lining downtown King Street.

**We are privileged to welcome Karen Ball-Pyatt, Kitchener Public Library Historian as our guest at Autumn Fellowship.**

She will bring two very popular short films to share. Both films are in colour.

**"A Conestoga Wagon Stopped Here"** traces the history of Waterloo County and the area's industrial development, and was shot in 1947 by local filmmaker.

**"The Industrial Progress of Kitchener"** was shot a decade later, for the Kitchener Industrial Commission.

Please use the congregational response form to register for this event so we can plan accordingly. All Welcome.
